Professional Summary

Frontend Developer with hands-on experience in building responsive, scalable, and user-friendly web and mobile applications using React.js and React Native. Skilled in creating clean and efficient UI layouts, integrating REST APIs, and improving app performance using React Hooks such as useState, useEffect, and useMemo. Experienced in developing reusable components, handling state effectively, and ensuring seamless functionality across devices. Proficient in modern frontend tools like Material UI and JavaScript (ES6+), with a strong focus on performance, maintainability, and responsive design. Adept at collaborating in Agile teams, debugging complex UI issues, and following best practices to deliver stable and high-quality user interfaces. Passionate about learning new technologies, enhancing user experience, and contributing to impactful frontend projects.

Technical Skills

- **Frontend:** React.js, React Native, JavaScript (ES6+), TypeScript, HTML5, CSS3, Material UI, Tailwind CSS, Bootstrap
- **APIs & Data Handling:** REST APIs, Axios, Fetch API
- **Version Control:** Git, GitHub
- **UI & Performance:** Responsive Design, Lazy Loading, Code Splitting, Component Optimization
- **Tools:** Visual Studio Code, Postman, npm, yarn
- **Soft Skills:** Problem Solving, Team Collaboration, Time Management, Communication

Professional Experience

Frontend Developer & React Native Developer

Dec 2023 – Present

Skandavel WebTech, Tuticorin, India

- Developed and maintained responsive web and mobile applications using **React.js** and **React Native**.
- Built reusable component structures improving development consistency across projects.
- Integrated REST APIs for real-time data handling and improved performance by 30%.
- Collaborated in Agile sprints with backend and QA teams to ensure timely feature delivery.
- Optimized UI performance using lazy loading, memoization, and component splitting.

Key Projects:

- **ConnectMe Portal (React.js):** Built enterprise portal with dynamic modals, multi-step forms, and conditional layouts.
- **Skewb Works (React.js / React Native):** Improved UI responsiveness and delivered new cross-platform features.
- **NEET MCQ App (React Native):** Developed offline-compatible quiz app with interactive MCQ tests and result tracking.

Projects

Portfolio Website

HTML, CSS, JavaScript

- Designed and developed a personal portfolio website to showcase live projects and UI demos.
- Implemented a fully responsive layout optimized for different screen sizes.
- [Live Demo](#)

E-commerce Mobile App (Ongoing)

React Native

- Building a cross-platform shopping app with authentication and product catalog features.
- Implemented navigation structure, reusable UI components, and cart management system.
- [GitHub Repository](#)

Education

Bachelor of Engineering in Computer Science and Engineering

2019 – 2023

Sethu Institute of Technology

CGPA: 8.03 / 10
